

*** Instructions are assumed a zoom meeting has already been created***

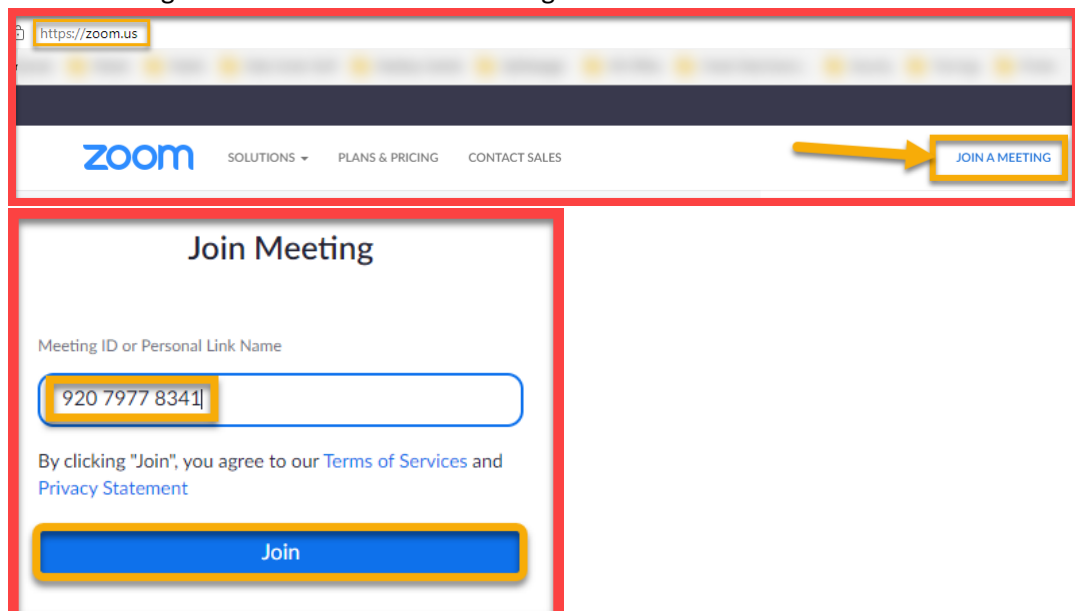

• Joining a zoom meeting:

- You should have received an email invite with a link and a dial in number to join the meeting:

- 1. Email link to join zoom meeting
 2. Dial in number to join zoom meeting

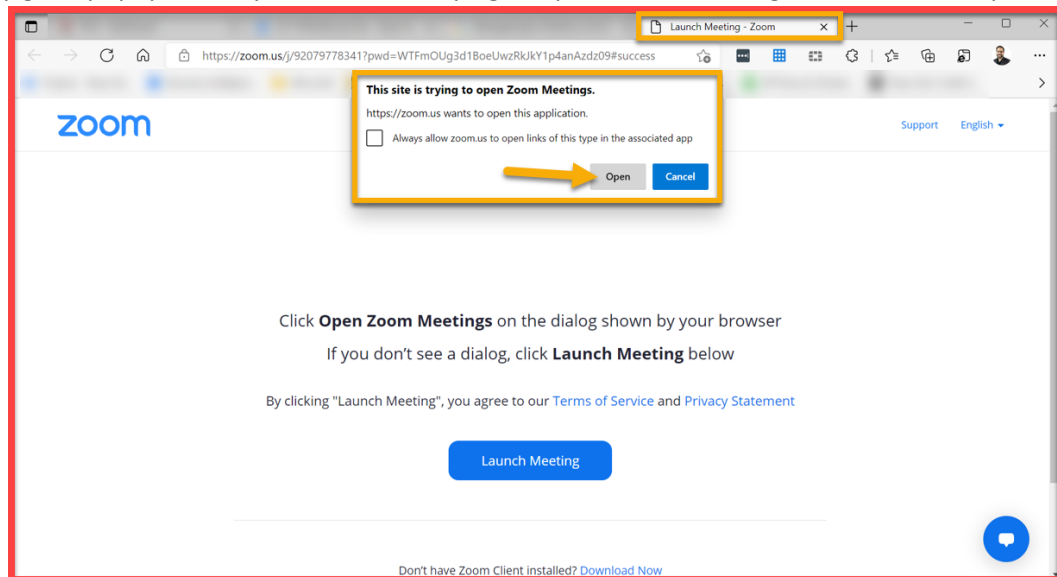

- Alternatively, you can go to: www.zoom.us and click on “Join A Meeting” and then enter the Meeting ID that was in the original email for the zoom meeting invite:

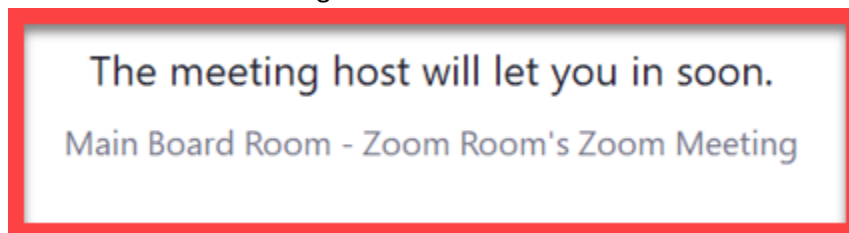

Main Community Room – How to Join a Zoom Meeting

- You may get a popup that says, “This site is trying to open Zoom Meetings,” Please click “Open”:

- If you were not on the original invite, you may be placed in a waiting room until the host of the meeting lets you in. You will see the message below:

- Once the host lets you in, you will be in the zoom meeting.
