

Main Community Room – How to start a zoom meeting using tablet

*** Instructions are assumed a zoom meeting has already been created***

1. If the meeting has started, you may see a red screen on the tablet to start the meeting

2. If you click "Dismiss" on the red screen or if the red screen is not there:
 - a. Go to the Meeting List
 - b. Select the meeting you are wanting to start
 - c. Click "Start"
