

All instructions use the Ravenwood Conference Room iPad

- **Change to ClickShare input**

- You will need to click on the “URC” app on the iPad

- Then click on the “ClickShare” option.
 - You may need to hit the power button to turn the TV and ClickShare on.

- Once on, you should see the ClickShare screen

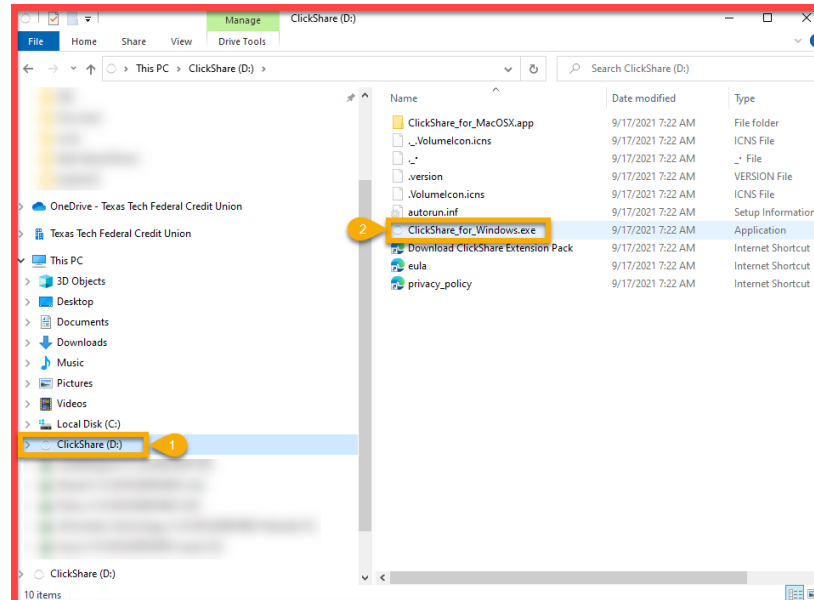

- **Plug in the Barco dongle into your computer and install software:**

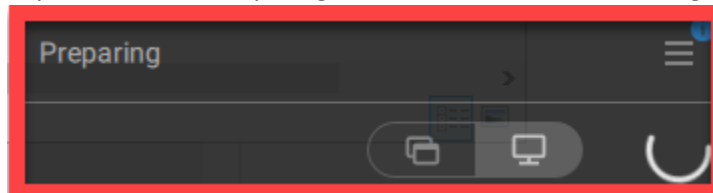

- Once plugged in, there should be a white light that shows up

- Then you will need to run the ClickShare software:
 - Open Windows Explorer > ClickShare > ClickShare_for_Windows.exe

- Once run, you will see a “Preparing” notification on the bottom right of the screen

- **Barco Dongle should turn red when ready to use:**

- Once red, Click the big silver button in the center to project to the screen:

- Computer screen should now be on the screen:
